

CANTEEN INFORMATION

We are delighted to advise parents that students can purchase items from the canteen using cash and eftpos. This will provide our students with the opportunity to practise vital skills such as communication, social skills and money handling.

Students have the opportunity to purchase items for the day between 8.00am – 8.45am or at recess and lunch time. Arrangements have been made with the canteen for our students to be able to go over to the canteen a few minutes prior to the start of recess and lunch to avoid the rush.

The canteen at the Warwick site also has the option for online ordering. Accounts for the online system can be set up as follows:
